

GORE® medical fabric

HIGH PERFORMANCE GOWN

Lojigma International Ltd. bring you a liquidproof gown manufactured under our registration to **ISO 9001** and is a **Class 1 medical device** (i.e. CE marked).

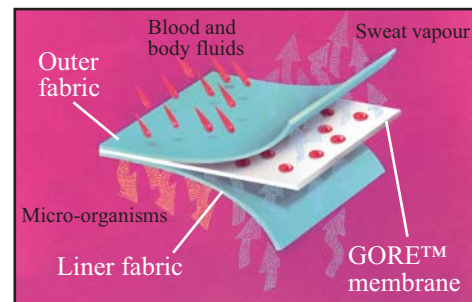

All gowns are individually **Barcoded** for:
+ Product Supply History
+ Wash and Care/Maintenance Monitoring.

GORE® medical fabric is a barrier to blood and other body fluids meeting the High Performance requirements of EN 13795.

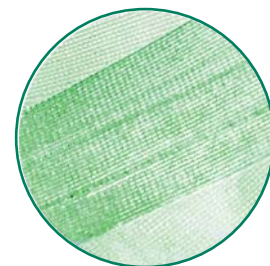

The fabric also allows your body to breathe through evaporation of perspiration vapour, whilst protecting against liquid strikethrough.

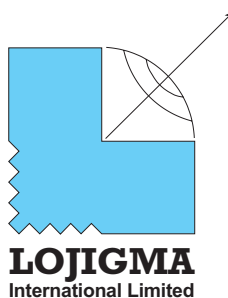

LOJIGMA International Ltd. is a certified manufacturer of **Gore® Surgical barrier fabric gowns and drapes.**

For maximum performance all critical sleeve seams are made liquidproof using **GORE®-SEAM** tape.

Gowns can be repaired using the original **GORE® repair patch.**

GORE is a Registered Trademark of W.L. Gore & Associates.
